ABOARD!

FOREWORD

A sea voyage is a great adventure. There are moments of despair and uncertainty when it seems that the destination will never be reached. Yet when safely ashore, we realize that the journey was worth it.

Our high school days are such an adventure. At first our goal seems far, far away. But soon we sail past Freshmen Island, and on to Sophomore Village, Junior Town, and at last, Senior City. Suddenly we realize that we are almost there—Port Graduation is in sight! Our journey is almost over now, and another, greater one is beginning. From Port Graduation we embark upon the Journey of Life.

That they may remember their high school voyage and use the knowledge gained to guide them safely through the Journey of Life, we, the members of the annual staff, present this, our 1959 edition of Hi-Ways, in honor of the Seniors.

Sincerely,

THE HI-WAYS STAFF

Radelle,

It has been really great knowing you this year. I have enjoyed going around with you this year. I hope to have all my classes with you ~~the~~ next year. If I don't I will be terribly disappointed. I missed not having you in first period. I have fun in there with you know who. I really enjoy Latin, Don't you? Especially with all those wonderful freshmen. There are only a few of the freshmen I like.

I'll be glad when the summer vacation is here so I can go to see Jeff. Maybe Tommy can't take his car with him to Fort Jackson this summer and if he ~~can't~~ ^{thinks he} is going to keep it. If so I might get to come to see you and maybe we can go to the beach or ~~to~~ go boat riding, if Wayne gets the boat fixed.

If I have to go and get Tommy, at Fort Jackson, maybe I'll have time to invite you to go with me and see all those wonderful and handsome boys. Those boys are from all over the United States. Those that are from the Philipian Islands are really cute, and I mean cute.

Most of all ~~and~~ I am waiting to go to Virginia and see "Handsome" (Jeff). I just can't wait to see him. Hope you have fun during the summer. Bless you, a friend.

Dear Radella,
you are a very
nice girl & I think
that you will succeed in
everything that you undertake
to do. Here's hoping you luck
to do. Sonny Hick
